Monies collected: County Health Fund (010) has taken in \$9,399.50 as of this date. This includes:

Vital Records: \$	5,730.50
Foods	3,425.00
Tb & shot rec.	244.00

Local Health Maintenance Fund (113) has a balance of \$71,226.74

Homeland Security (Bioterrorism) (146) Fund has a balance of \$13,443.52.

Tobacco Fund (147) has a balance of \$23,803.19.

Vital Records Fee increase is finally approved and activated as of April 1, 2006. Commissioner's approved the increase. Dr. Pyle made a courtesy visit to the Council to inform them of the increase. During the Commissioner's meeting, they informed me when a health board member's term is to be expired; they would like the opening to be advertised. This will have to comply with ISDH code. June 1 is the next deadline for 2007 budget. IVRA spring conference is in Warsaw. The topic is Electronic Birth and Death Records. The counties will be connected to the Indiana State Department of Health via the web.
